## **Cost of Living Budget Survey – SCC Open up for your thoughts**

SCC has released a survey to local residents, asking for their thoughts on the upcoming 2023/24 budget. A summary of responses will be considered when deciding how to spend your money. With inflationary pressures, our Group expects government to seek spending cuts – meaning public services could be cut and council Reserves may have to be used.

To share your thoughts on how the Council should prioritise their budget, as well as highlight vulnerabilities you see in your communities that need further addressing.

## **Cost-of-Living Leaflet: Updated to Show Support**

Over 85,000 leaflets, highlighting information and guidance during the crisis, were distributed amongst Suffolk communities. The leaflet shows all the help Suffolk offers with finances and household expenses, as well as how to stay warm this winter. I would encourage anyone to take a look at how Suffolk can help.

## **SCC's Launch of 'Winter Matters' Campaign**

SCC have launched their Winter Matters campaign, which aims to help ease the pressures of winter for Suffolk residents. This is a signposting campaign that centres around five key themes: Finances, Safety, Environment, Health and Wellbeing, and Highways.

**Full Council – 20<sup>th</sup> October – GLI Motion**

Suffolk GLI submitted a motion calling for Suffolk County Council to reject the idea of an “Anti-Growth Coalition” exists. The term, coined by former PM Liz Truss, suggests anyone who criticised the government’s economic policy was part of a coordinated group against growing our economy.

Our Group wanted Suffolk County Council to denounce this term and acknowledge the importance in different opinions – including the view that growth should consider social responsibilities, community voices, sound financial policy, and environmental limits. Something we believed the government was not adhering to.

Conservative councillors voted against our motion, however we still feel it is important that our local authorities debate untruthful and divisive claims made by any Prime Minister.

### **Cabinet Meeting – 11<sup>th</sup> October**

The Cabinet met for the first time since the summer political recess. The Cabinet agreed to spend £2m on new care provision for Children and Young People in Felixstowe. In addition, SEND services received £10m to provide another round of specialist units in Suffolk. Our Group was hugely supportive, as we want to remove the pattern of families travelling cross-county, or even country for support.

The Suffolk Local Access Forum submitted their annual report, which included their concerns about Sizewell C and its effect on green networks and Rights of Way. Our Group have strongly campaigned in support of the Forum’s position, and we will continue to voice concerns over the damaging effects of energy infrastructure our coastal landscape and biodiversity.

In addition, the Cabinet endorsed Transport East’s new 2050 strategy, which focusses more on green travel and linking rural communities to local economies. Our Group recognises the importance of connecting isolated residents for both profession and pleasure, and we will ensure SCC adopts all priorities into its own policy.

### **Avian Flue Outbreak**

“Suffolk has declared an Avian Influenza Prevention Zone to mitigate that risk of further outbreaks of disease occurring. The disease has been detected at more than 70 premises since the beginning of October, as well as multiple reports in wild birds. The Zone, meaning mandatory housing measures for poultry and captive birds, will be in place until further notice and will be under regular review.

Bird keepers and members of the public should report dead wild birds to Defra’s national Dead Wild Bird Helpline on 03459 33 55 77 and keepers should report suspicion of disease in their birds to the Animal & Plant Health Agency (APHA) on 03000 200 301.
