

## CARE GROUP REPORT April 2013-14

We continue to do our best to cover the village, each member keeping an eye out for houses changing hands etc so that Welcome leaflets may be delivered, and also being aware as far as possible of residents suffering illness, needing transport for medical care etc. We currently have eight active members and would benefit from a few more.

Ali Charman co-ordinates requests for transport and our list of drivers includes some volunteers who are not members of the Care Group. This extra man-power is very welcome.

Sue Merriam sends regular consignments of goods from our Food Boxes in Church and Village Hall to the centre in Stowmarket. Your donations of groceries are greatly appreciated.

A list of Care Group members and their contact details has been sent to Dave Erret to help in preparation of a parish emergency plan to supplement the County-wide SCC Emergency Plan. Recent storms, floods, etc suggest we should be ready for anything and we need to know where elderly or vulnerable people live in case disaster strikes!

Thank you.
