

Care Group

Care Group consists of a group of residents who each take particular care of a small area of the village, looking out for houses changing hands so as to welcome new families to the village, visiting anyone needing help through being housebound or unwell, and offering transport for those needing to get to medical appointments or hospital. We are always ready to welcome new people to our committee or onto our list of willing car drivers.

Our next meeting is on Wednesday, 22 May 2013 at The Old Chapel in The Entry, home of Ann and Nigel West at 7.30 pm, and if you are interested in joining the group we would like to welcome you – just come along. Our Transport Co-ordinator is Ali Sharman of Pear Tree Cottage, Rose Lane. If you need help or can offer transport occasionally, please phone Ali on 766990.

We now support the local Food Bank based at Stowmarket, to help out people who in this recession may be unable to afford good food for themselves or their families. There are Food Bank boxes here in the Village Hall and in St Andrew's Church where you may donate non-perishable contributions and know they will find a good home somewhere in the district.

If anyone has suggestions for other ways we might enhance our village community, please let us know.

Thank you

Sheila Wright
