

## FOSA REPORT April 2013-14

The restoration of the Gallery at the back of St. Andrew's Church is ready to go ahead as soon as we receive a cost analysis from the architect. We have over £14,000 in our Fund, in addition various Grants are available for the work.

Sincere thanks are due to many residents of the parish for their fund-raising efforts, not least all those involved in the Flower Festival planned for the beginning of May. Please continue to be patient and support our efforts – one easy way would be to come to our monthly Bingo! sessions on the first Tuesday of each month. You might even enjoy it!

Thank you.

Sheila Wright
