

Wickham Skeith Table Tennis Club

The Table Tennis club was begun in 2005 and I have organised the weekly Monday club evenings for 7 years and the annual tournament for the past 5 years.

It has been a successful addition to the village hall activities and a range of players, young and older have enjoyed both the practice sessions and the annual tournament.

However, the past year has seen a change in that very few have taken part and interest appears to be at a low ebb. In addition, for various reasons, the tournament did not take place in 2014.

At the present time, therefore, it seems unlikely that the club will be able to continue as we cannot justify use of the hall for one or two participants.

If there is someone who would be willing to take on the job of organiser and inject new life into the club, I would be very pleased, as it seems a pity to lose this facility.
