Village Hall AGM Reports from village groups and clubs 2014-2015

TEA & CHAT

Our Wednesday afternoon Tea & Chat club continues most Wednesday afternoons (excepting 2nd Wednesdays in the month when Lunch Club is held).

The club is now run by Dave Challinor and Chris Maisie to whom we are most grateful - also thanks must go to Dick and Edna Canfer for their running of the club until prevented by ill health.

At Christmas and on three other occasions yearly we enjoy lunch together at a local pub instead of meeting at the Hall. These outings are part funded from our donation tin, regular attenders each contributing at least £1 per week.

Attendance varies, averaging around 7/8 people aged between 60-86 years, but age is no barrier; anyone, including parents plus toddlers, is welcome to drop in for a cuppa.

We are pleased to be using the Hall for the original purpose for which it was built and endowed in 1909, and we appreciate the benefit of low charges asked of us by the Village Hall Committee.
