

WICKHAM SKEITH YOUTH CLUB

The youth club is a two weekly club for young people aged from 12 to 18 years. It is run by 2 volunteers, both CRB checked and the Youth Club leader being First Aid trained.

We currently have 15 young people on the books but the last few meetings have had a low turn out, a lot of the young people have exams this year.

The past year has seen some fun evenings and it has been a place for the young people to come together and meet up on a two weekly basis.

Desperately in need of another volunteer to help with the youth club.

Also in need of storage as developing some good resources for the youth club including board games, outdoor games, hi fi system etc.

Plans are to have a meeting with the young people next week, to start to market to young people in surrounding villages and keep advertising for a volunteer.

A fantastic plan of events these next few months including camping in the summer holidays, self-defence and an end of term party.

Kind regards
